

He Looks Into Your Eyes

**He looks into your eyes
and sees the sorrow there and shame
You know he sees your heart
and all that's in your mind.**

**O my Lord, Oh-oh, Oh, my Lord
Lord of all I ought to be
O my Lord, Oh-oh, Oh my Lord
Free my Soul from sin and death
Lord of my heart, Free my mind
Give me strength, to my soul
so that I may love you
with my life and my neighbor too.**
